...the things you love

count your daily takings... ...in less than a minute!

How long is it taking you to count, recount and verify your cash takings by hand at the end of the working day? Are you still manually preparing your bank deposit and next day's float? A till count has never been simpler and takes less than a minute to complete. Pre-programmed to count both your coins and notes in sequence and with a running total on screen, the OMAL CountEasy™ is your calculator. Light weight, portable and both mains and battery operated the OMAL CountEasy™ can be used

anywhere at any time. Three simple examples will show you how the OMAL CountEasy™ can automate and speed up these processes, giving you the freedom to start enjoying your hard earned takings.

- **proven weigh counting technology**
- **counts coins and notes**
- **2 years warranty***
- **Euro ready**

*except for charger and battery

2. Prepare the banking

3. Prepare the float

CountEasy™

The quickest, easiest and most accurate way to count your daily cash takings. To order CountEasy™ or to find out more details go to www.counteasy.info or telephone 0845 279 7100.

our quality policy statement

Vision - To be a leader in the Sales, Marketing and Development of Cash Processing Products and accessories that are used at the point of sale.

Mission - Individuals, teams and the whole organisation will shape the Company's future by creating a mental vision and purpose for any project large or small. They identify and commit themselves to the principles, relationships and purposes of their customer's needs.

Quality Policy - "It is the policy of Volumatic to strive to be the best at everything we do. Whenever a customer makes a request we aim to handle it efficiently and effectively whilst also trying to improve our service every time. We also strive to improve processes, products and services in general by a combination of employee motivation, pride and empowerment combined with management commitment and planning."
